December 2024

## PRINCIPAL CORNER

Dear Cumberland Families,

As we look toward the December break and the new year, Dr. Mack and I would like to share our theme for this year: **GRATITUDE**. We kicked off the year with time spent as a staff identifying symbols of gratitude that we could reference throughout the year as a mindfulness practice. We've been revisiting this theme in meetings, staff messages and through actions around campus.

We are incredibly grateful for the dedication and hard work of our amazing Cumberland staff. Their passion for teaching and learning shines through every day, creating a warm and engaging environment for our students.

We have witnessed their creativity in action as they've developed innovative lessons and found engaging ways to keep students motivated. Their ability to build strong relationships with students is truly inspiring, and we are so thankful for the positive impact they have on our school community.

As we prepare for the break, we encourage you to join us in expressing your gratitude to the teachers, staff, and volunteers who make Cumberland such a special place. A simple "thank you" can go a long way in showing appreciation for their hard work and dedication.

And, if you'd like to learn more about the benefits of gratitude, I encourage you to read this article published by Psychology Today: [7 Scientifically Proven Benefits of Gratitude](#).

Wishing you and your families a joyous and restful holiday season and a wonderful new year full of gratitude!!

Warmly,  
Ms. Carlson & Dr. Mack

A chance to ask questions and share ideas, resources, and support with other parents of students with IEPs, 504s, learning differences, mental health challenges, etc. We are committed to confidentiality and providing a safe, welcoming space for everyone.

We meet monthly on the first Tuesday of each month at the Starbucks near Trader Joe's after school drop off, 8:15-9:45 am. Next meeting this Tuesday, 10/1. Please stop by!

Throughout the year, the committee will be promoting awareness of differences through poster campaigns. They ask staff and families to support this effort by pointing out the posters to students and talking with them about the message on the posters.

In Trimester 1, the focus was on raising awareness about ADHD. In January, the focus will be on dyslexia.

### New Books and More New Books

The Cumberland Library has added 172 new books to its collection. Please encourage your student to check out a new book during their next library visit.

## AUTHOR VISIT

On November 13th the author, Crystel Patterson, visited Cumberland. She spoke to our 3rd grade classes about her book "*I Am Different*". She read the book to the students and had a discussion with them about the character's feelings.

Crystel is an award winning author from Sacramento and the creator of the "Inspired to Be..." book series. Her books help children learn to be kind, confident, and to follow their dreams.

## PROJECT CORNERSTONE

Our Cougars have been doing a great job demonstrating character traits focused on in previous months - **KINDNESS** and **FAIRNESS**. There have been kind words spoken, friendly smiles and waves "Hello!" as well as turn-taking and honesty shown from many of our students. Way to go, Cumberland!

Looking forward to January, grades 1-5 will be focusing on **STRENGTH** while TK/Kinder will be focusing on **PROBLEM SOLVING** and **SELF-MANAGEMENT**.

Through the Project Cornerstone program, our students are learning strong character traits, helpful relationship skills, and positive values of self and identity. We work on becoming UPstanders and "bucket-fillers" who help, respect and include **everyone** around us.

*At home connections:* Ask your student, "Who has filled your bucket recently?" or "Have you ever been or seen someone be an UPstander while on the playground?" Identifying and discussing positive behaviors is a wonderful way to promote more positive "bucket-filling" behavior! 😊

## WALK AND ROLL TO SCHOOL

Cumberland students participated in Sunnyvale's Safe Routes to Schools Walk-N-Roll Program the week of November 18-22.

The classroom teachers asked the students on 2 days how they got to and from school. The teachers kept a tally and the classes earned points based on whether they walked, rode a bike or scooter, bus, or carpooled with another family.

The classes in each grade level with the highest percentage of participants will be rewarded with a popcorn party.

**Congratulations to the following winners:**

**TK/K** - Ms. Bennett 78.57%

**1st** - Ms. Berry 84.88%

**2nd** - Ms. Reitdorf/Ms. Smith 67.14%

**3rd** - Ms. Bauer Biggs 57.5%

**4th** - Ms. Wai 78.57%

**5th** - Ms. Gabriel 82.07%

Ms. Berry's 1st grade class had the highest total percentage and earned the prestigious Blue Boot Award.

Overall, as a whole school Cumberland's participation rate was 58%.  
Great job Cumberland students and families!

**STUDENT  
COUNCIL**

Did you know that Cumberland has a student council? The student council kicked off the year when fifth grade candidates ran in a Primary Election then the General Election. Our student council officers are: President: Nathan Z., Vice President: Elijah H., Secretary: Kimly L., and Treasurer: Ellie L. Fourth grade representatives were elected within their classes. The student council takes part in coordinating events, Cool Cougar assemblies, Flag Salutes, and organizing fun spirit days during spirit week. Cumberland's student council plays a big role for making the school a fun and safe place to be, and have fun in.

This month our student council is sponsoring a Toy Drive to help support families in need in Santa Clara County. We are collecting NEW, UNWRAPPED toys for babies up to 18 year olds. If you can help, please bring a toy to donate anytime between now and December 19th. You can drop off your donation in your classroom or in the office. All donations will be brought to the Santa Clara Fire Department, who will then make sure that the toys get to families in need this holiday season. Please help out families in need!
