### What is the LCAP and SPSA?

The **Local Control and Accountability Plan (LCAP)** is a three-year plan that outlines district-wide goals, actions, and services to support student success, with a focus on equity and accountability.

The **Single Plan for Student Achievement (SPSA)** is our school's specific plan that aligns with district goals to ensure all students grow academically, socially, and emotionally.

### District-Wide Goals (LCAP & Strategic Plan):

1. Inclusive & Nurturing Environments
2. Equitable Opportunities for Growth
3. Student Responsibility for Learning
4. Mastery of Core Content Areas

 **Cumberland's 2024-25 SPSA Goals:**

- **Math:** Strengthen problem-solving and math fluency using data-informed instruction and targeted small group supports.
- **English Language Arts:** Provide high-quality, differentiated reading instruction using Universal Design for Learning and small group strategies.
- **Social-Emotional Learning (SEL):** Increase student belonging and reduce chronic absenteeism with SEL lessons, counseling, and leadership opportunities.
- **English Learners (ELs):** Support reclassification and growth through daily ELD, academic interventions, and culturally responsive practices.

### **We Want Your Input!**

## AUTISM ACCEPTANCE MONTH

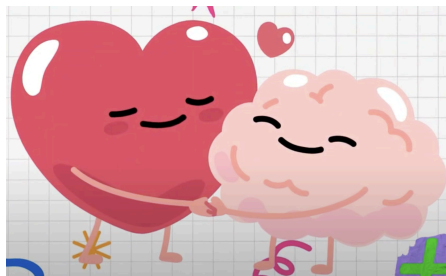

During the month of April (and all throughout the year), we invite families to join in becoming more educated, aware, accepting, and appreciative of our students with Autism and, more generally, the neurodiversity that makes us all unique.

Please check out [this slide deck](#) to find out some ways we are celebrating this month in Sunnyvale, as well as a wealth of ideas for you to spread some awareness and acceptance throughout the month!

Some of the planned activities will include Library read alouds and book displays. We will also have a parent-supported information table at one of our recess times later this month. Additionally, we showed a short, 2 min [video](#) (created by a Sunnyvale teacher), at our K-3 Cool Cougar assemblies on March 28th and in our 4/5 classrooms this past week. It does a great job of highlighting **ABILITY DIVERSITY**.

Remember...***ALL BRAINS ARE GOOD BRAINS & ALL BODIES ARE GOOD BODIES.***

In order to grow the necessary leadership, oratorical, and conflict management skills, the Jr. Coaches participate in monthly one-hour trainings with a site coordinator from Playworks. Throughout the rest of the month, Jr. Coaches report on their workdays to Coach Hootie, our Cumberland Recess Coach, who helps to ensure they are comfortable with their duties, on task, working hard and having fun!

### Bookmark Design Contest

We had 27 students submit their designs for a national bookmark contest. We are eagerly waiting to hear if anyone from Cumberland won. Here are their creative submissions:

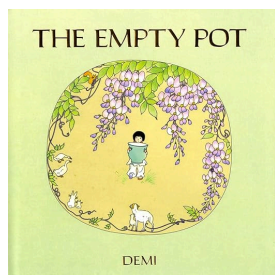

### PROJECT CORNERSTONE

In April, a book that is new to the Project Cornerstone curriculum will be introduced to the TK & Kinder classes. The book is *Cuckoo* by Lois Ehlert. This is a Mexican Folktale filled with bold and beautiful art. The story teaches the values of **caring, integrity and responsibility** while modeling how to help others without being asked.

Grades 1-5 will read and discuss *The Empty Pot* by Demi, which tells the story of a schoolboy named Ping who is growing up in China long ago and accepts a challenge given by the emperor. A surprise twist at the end of the book shows **integrity** and **perseverance** by Ping which will lead to great discussions and activities led by the awesome Project Cornerstone classroom volunteers.

**At home connections: TK & Kinder** Discover, read and discuss traditional folktales from your own family heritage! **Grades 1-5** Ask your student what C.H.I.R.P. stands for and which value they have committed to work on. (In case they forget 😊 = Courage, Honesty, Integrity, Responsibility, Perseverance).

### STUDENT COUNCIL

Student Council Update, by Nathan Zhang

In the month of March, our student council has talked about and accomplished multiple actions.

One surprising thing happened during our student council meeting. We found out that the principal, Ms. Carlson came to our meeting on March 13. She talked to us about the district promise, which we have recently been adding into our assemblies. She showed us a slideshow and gave us some packets of papers. We also talked about the Portrait of a Sunnysvale Learner, and some other topics. Her presentation was very interesting and engaging.

Another event was the JW House. The JW House is a small house next to the Kaiser Permanente, where people who have a family member that has to go to the hospital can rest. We are asking members of Cumberland to donate food items to the JW House, so people can enjoy a small snack there. You can bring the donations up to April 7th, which is the deadline. This project has been a big success so far, and I can't wait to see how much food has been brought for the donations on Monday.

**\*Snacks/Items Needed for the JW HOUSE:**

Paper towels	Napkins	Lemonade mix
Canned chicken from Costco	Microwave popcorn	Ziploc bags (sandwich size)
Unsweetened iced tea mix	Keurig coffee pods- regular and decaf.	
Creamer - the liquid cups	Fruit cups - individual portions	
Individual chip bags	Cup of Noodles	
Individual portions of nuts or trail mix		
Fruit roll-ups or gummy fruit snacks in those individual packets		
Candies - individual servings like kit-kat bars, Hershey chocolates
