

All-Access Restrooms

Board Workshop 2024.11.07

Objectives

- Deepen understanding of best practices in design of student restroom facilities.
- Establish design criteria for restroom facilities to be followed in the modernization project at Sunnyvale MS, and beyond.
- Determine if a district-wide policy regarding restroom facility design is beneficial

Premise

Self-actualization

desire to become the most that one can be

Esteem

respect, self-esteem, status, recognition, strength, freedom

Love and belonging

friendship, intimacy, family, sense of connection

Safety needs

personal security, employment, resources, health, property

Physiological needs bathroom air, water, food, shelter, sleep, clothing, reproduction

Maslow's hierarchy of needs

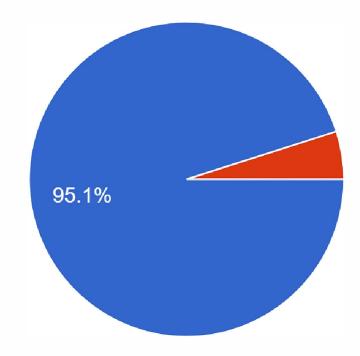

Restroom design can be better for everyone!

Are you a student or staff?
